Accessories

Trust Molders Services to have what you need when you need it. We stock a large inventory of the most sought-after accessories. From end caps to nuts and nozzles. From complex to simple – large and small. And just about everything in between. Make your first call to us for the best recommendations and the right accessories at the right price. Fast, easy and guaranteed.

Nozzles

- Molders is your one stop shop for everything from shutoff nozzles to our line of mixing, filtration, and internally heated nozzles – AccuMix™, Accuguard™ and ProShield™
- Trust us for fast delivery on standard replacement nozzle bodies, too!

Heater Bands

- Available in any size or configuration Mica or Ceramic
- Ask us about our energy-saving Radiant Heater Bands!

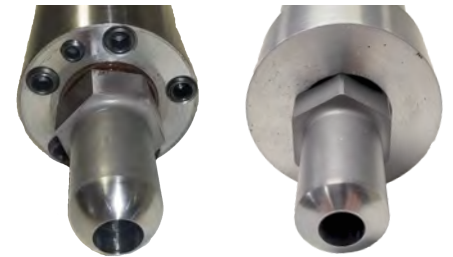

End Caps

- Fast delivery on OEM-style end caps (thread-in or bolt-on)
- May be made from specialty steels to combat corrosion
- Molders can accommodate virtually any surface treatment needed (examples include nitriding and chrome plating)

Custom Nozzle Tips

- Need a nozzle tip in a hard-to-find thread or radius? We'll help determine what fits perfectly and have it delivered to you fast

✓ We are a certified Herzog Shutoff Nozzle Distributor

✓ Be sure to ask about our line of custom mixing, filtration, and internally heated nozzles!
